

ROCKY MOUNTAIN
MINERAL LAW FOUNDATION

68th Annual Rocky Mountain Mineral Law Institute

July 21-23, 2022 | Vail, Colorado

Join us for our first in-person annual institute since 2019! Remember how much you enjoyed Monterey three years ago? Come to Colorado for a similar experience in the high mountains!

Vail in the summer is a stunningly beautiful alpine setting, with amazing weather for wildflower hikes, backpacking, cycling and mountain biking, tubing and whitewater rafting, canoeing, high-elevation golf, gondola rides, nature walks, jeep tours, and so much more. Shopping and restaurants abound, along with some of the top spas in the Rocky Mountains. And the entire family can enjoy Epic Discovery at the top of the Eagle Bahn Gondola, with adventure courses, ziplines, a mountain coaster, tubing hills, a climbing wall, bungee trampoline, and other options.

The Annual Institute will open with a General Session on Thursday morning. That afternoon and for the remainder of the conference, attendees can choose among various sessions, which will include Oil & Gas, Mining, Public Lands, Water, Environmental, Corporate Counsel, International, Landman's, and Renewable Energy. We anticipate the program will be finalized by early March. We're planning for a blow-out hosted reception on Thursday night, along with a Young Professionals event, an In-House Counsel event, and even a babysitting option on Friday night if you want to get away and enjoy the town.

In the meantime, reserve your rooms as soon as possible! We negotiated highly discounted room prices five years ago, and since then, hotel rates in Vail have skyrocketed. In fact, our headquarters hotel, The Hythe a Luxury Collection Resort by Marriot, has recently completed a \$40 million renovation and our room rates are locked in starting at \$238/night. Their rack rates start at \$600/night! We have a wide variety of accommodations throughout Vail available at the best prices possible.

We look forward to seeing you next summer for a great Annual Institute!

Please read before booking

All sessions will be held at the Vail Marriott Mountain Resort, soon to be part of the Marriott Luxury Collection. Plan for a starting time of 8:30am on July 21 and adjournment at noon on July 23. Vail is about 120 miles from Denver International Airport (DEN), and 35 miles from Eagle County Regional Airport (EGE).

We have discounted rooms and condos at a number of properties throughout Vail, from simple hotel rooms starting at \$209/night to luxurious 4-bedroom residences topping \$1,000/night, and everything in-between. Complete information is below. Complimentary bus and shuttle service is provided by the city and by individual properties throughout Vail.

Our Institute takes place during Vail's busiest summer season, so **please reserve early**. We had well over 1,000 attendees at each of our last two virtual Annual Institutes, and more than 1,000 in person the last time we went to Vail. As a family-friendly destination, we expect Vail to be very popular next summer.

To get our special conference rates, you must book using the instructions below. For those wishing to extend their trips, most hotels are offering our conference rates up to three days before and after the meeting, based on availability. Room prices do not include taxes and various tourism charges. Resort fees are only applicable where shown. When calling, please reference Rocky Mountain Mineral Law Foundation or RMMLF.

Cut-off dates for our special discounted rates vary by hotel, so please make your reservations as soon as possible to make sure you get the property and room type of your choice.

Visit the websites of each hotel or talk with their reservations agents to see which might be best for you and your family and friends.

All listed rates are per night. We strongly urge you to request an email confirmation with details of advance deposit, cancellation, and refund policies. Every hotel has different rules. If you want a/c in your room, make sure to check with the hotel.
